WOODEN MEMORIAL TABLET (FREE STANDING)

- 192 To the memory of FRANCES BAINES who died May the
19th 1846, at the age of 33 years. She filled
the office of school mistress in this Parish for
nine years, to the duties of which situation she
devoted herself with diligence and assiduity
beyond her strength, and in this cause having
passed six months at an Infant School Training
Institution, to qualify herself further as a
teacher of the younger children more especially
according to the most approved method. She
suffered from the close application there required,
and ultimately fell a sacrifice to her praiseworthy
exertions. In grateful recollection of benefits
received, her sorrowing scholars have erected this
monument.
