Dear Friends

April, this year brings us to Holy week and Easter (13th - 20th April) and our thoughts are pointed towards the crucifixion and resurrection. Approaching Easter in 1944, the theologian and pastor, Dietrich Bonhoeffer wrote in a letter from his prison cell 'Easter? We're paying more attention to dying than to death. We're more concerned to get over the act of dying than to overcome death. Socrates mastered the art of dying; Christ overcame death as the 'last enemy'.... It's not from the art of dying, but from the resurrection that a new and purifying wind can blow through our present world '.

At that time dying was a real possibility for Bonhoeffer: just over a year later he was hanged in Flossenbürg prison camp. But in those dark days Bonhoeffer saw in the resurrection not only hope for himself but for the whole world.

The resurrection of Jesus was not an evasion of death; it followed on from his death on the cross on Good Friday. From what we know of the Crucifixion, there was nothing artistic about it; it was not a 'good death'. Socrates chose his own death by drinking a cup of hemlock He died a dignified and noble death. There was nothing dignified and noble about Jesus' death; it was brutal and painful.

On Good Friday Jesus plumbed the depth of human pain, suffering and despair. On Easter Day that pain, suffering and despair were turned around and transformed into joy, hope and life. It was not just a matter of putting together the broken and battered body of Jesus. The risen Jesus dies no more. He is the first-born of a new creation

.

In the crucifixion and resurrection we see the creative love of God at work in the depths of human existence, that there is no part his love cannot penetrate. In all the little deaths that make up our lives - the death of hopes, or relationships, God is present, raising us up. He is transforming us and recreating us. This doesn't soften the hurts, pains and sufferings - resurrection only comes after death.

Even after his resurrection Jesus still bore the marks of his suffering; the nail holes and the spear wound. It does mean, though, that whatever world may throw at us we cannot be separated from the love or God. Bonhoeffer goes on in his letter It is not from the art of dying, but from the resurrection of Christ, that a new and purifying wind can blow throughout the world... if a few people believed that and acted on it in their daily lives, a great deal would be changed. To live in the light of the resurrection that is what Easter means. There is certainly a lot in our world that needs changing!

Wishing you ever joy and blessing this Easter

## ALL SAINTS' CHURCH, HORSEHEATH

Spring is on its way and we hope we have said good-bye to the dark grey days of winter.
Our Valentine lunch held on the 15th February welcomed many parishioners and £330.00 was raised for the upkeep of our church. Thank you to all who provided the soups, buffet table, tombola and raffle prizes.
In March we shall be renewing our church electoral roll, so this is a good time to put your name down if you're not on it at the moment.

Future events for your diary
**18th April - Good Friday Liturgy 12 noon in church**
Monday 5th May in conjunction with the Community Association, VE day 80th anniversary celebration Lunch at the Village Hall, 12 noon. This is a lovely opportunity to bring the whole village together as we have done for the last two years on the May Day Bank Holiday. Look out for posters giving more details.

**Saturday 31th May - Garden Party, 2pm to 4pm**, at Hartford House garden, next door to the church. No entry fee - come and enjoy refreshments, stalls and entertainment. Music by Richard Blackmore . Donations to cake, plant and bric a brac stalls very welcome.

**Family Services** aimed at all age ranges will be held on **Sundays May 4th, June 1st and July 6th at 11 am.** Come along, bring the children and enjoy refreshments afterwards at these informal services.

**The AGM for the Parochial Church Council will take place after the 10 am service on May 18th at approximately 11.15. Everyone is welcome and new members are always needed.**
We look forward to seeing many of you in church and at our events again throughout 2025.

**In general terms initial enquiries should be sent to either Jess Ashbridge or John Howard.**

A Parish Council meeting was held on Monday 10th March 2025. In attendance were our County Councillor, Henry Batchelor and our District Councillor Geoff Harvey; 2 parishioners attended.

**Public participation –** No questions.

**District & County Council news** –websites www.scambs.gov.uk: www.cambridgeshire.gov.uk Email addresses cllr.harvey@scambs.gov.uk & HenryBatchelor@cambridgeshire.gov.uk

The application to develop **Kingsway Solar Farm** is still expected in Autumn 2025; it will be formally consulted upon and decided by the Planning Inspectorate. More information can be found at https://national-infrastructure-consenting.planninginspectorate.gov.uk/projects/EN010165 with an action group from affected communities at https://kingswaysolarcommunityaction.co.uk/.

This application could potentially be affected by the government's land use framework consultation. This intends to provide a rational framework for land use and encourage shared, multifunctional land use in future. The consultation is at https://consult.defra.gov.uk/land-use-framework/land-use-consultation/ and closes on April 25th.

It is not expected that Cambridgeshire will be re-organised under the governments drive to create Unitary Authorities but we await the government's decision on future local structures.

The District and County Councils have agreed their budgets for 2025-26 resulting in a 4.99% increase in council tax for the County and a 2.99% increase for the District Council.

**Planning** –We understand Suffolk County Council will hear the proposed **Acorn Biodigestor plant – Spring Grove Farm (Withersfield Parish) SCC/0045/23SE** application on 24th April. We have submitted our objections which are on the Horseheath website. In total there were over 630 objections.

**Planning enforcement –** we await updates with regard to the College Farm two storey extension and the field on the A1307 containing caravans.

**Horseheath Village Community Association** – We understand the Village Hall is seeking quotes for the clearance of the playground in advance of it being refurbished. The Village Hall is planning a VE day lunch on Monday May 5th. Watch out for more details. We are still waiting for the legal transfer of the patio area from South Cambridgeshire District Council to HVCA and a lease on the field behind which will be held by the Parish Council.

**The Bus Shelters at Alington Terrace on the A1307** - We have been seeking to have these repaired but we have been told the bus shelters need to be replaced entirely. To do this there will need to be traffic management on the A1307 which will be expensive. We are talking to the various agencies about how these bus shelters can be replaced and the safety of the stop improved.

**Neighbourhood Plan** The group met recently and have revised the timetable to produce the plan. We continue to look for a new coordinator to help with the administration of the group as well as new members – please contact John Howard if you are interested. The next meetings will be on Thursday 10th April and the 8th May.

**Moving Vehicle Activated sign** – Our vandalised speed sign is going to be repaired.

**Parish Litter Pick** – collected ten bags on the morning of Saturday March 8th along with various larger items. Thank you to Niki, Helen, Sandra, Donna, Siri and her sons, Esther and John for undertaking the litter pick.

**Footpaths** – we have been in repeated contact with the Streetly Hall Estate about a number of footpath maintenance issues, including the collapsed culvert at Park Farm. We anticipate these outstanding problems should be resolved soon.

**The Wildwood Disco** - we have received reports on the noise levels for the Wildwood Festival for the last few years. All the recorded noise levels were said to be inside the organisation plan permitted limits.

**Bird Scarers** - it has been reported that these intrusive deterrents have caused more disturbance this year. We will raise this with the Estates concerned.

**Annual Parish Meeting –** This year's annual parish meeting will be on Friday 9th May at 7.30pm in the Village Hall. The meeting will include members of the County Flood Team who can advise us about how communities can protect themselves against flooding; we will also have a very senior representative from Stagecoach coming to hear about our perceptions of the 13 and X13 bus routes and timetables and the experiences of school students trying to travel to Linton or Cambridge. Watch out for the posters!

**Our next scheduled meeting is Monday 12th May 2025.**

**Please look at the Parish Council noticeboards, the Facebook page or www.horseheath-pc.gov.uk for up-to-date information, and email Jess Ashbridge or John Howard if you wish to comment or contribute.**

## 1ST HORSEHEATH BROWNIES

Whilst Barney has been recuperating from her stroke, Katie has taken over the running of the Brownies, they have made and eaten pancakes. The brownies enjoyed a sleepover at Duxford Scout hut with other Brownies, Guides and Rainbows from the district to celebrate world thinking day 22 February which is our founder's birthday. The Brownies have also decorated pebbles with positive messages and also started a new skills builder reflect from the know myself theme. This is looking at what we share and what we don't. Do you have an attached or detached earlobe? When you clasp your hands together is your right or left thumb on the top? Mine has changed, it used to be right but now due to my stroke and my left side being affected it is now the left on the top. As for my earlobes, mine are detached as they wobble. If your earlobes don't wobble then they are attached.

If you have been intrigued by what you have read about the Brownies and you have a 7-year old girl, or older, living in your home and think she might like to join us then please email me on horseheathbrownies@gmail.com or register her on www.girlguiding.org.uk/information-for-parents/register-your-daughter/ and I'll get in touch. Also, if you have a daughter who is 5 years old, she could be a Rainbow or if she is over 10 years old then she could be a Guide, we have units in Linton that have spaces that they could join. Email me for more details.

Girlguiding is the largest organisation for girls and young women in the UK. Girlguiding helps them to find their voice, build skills and confidence. It inspires them to discover the best in themselves and empower them to make a positive difference in their community.

Girlguiding caters for a range of ages: **Rainbows** – for girls aged 4-7; **Brownies** – for girls aged 7-10; **Guides** – for girls aged 10-14; **Rangers** – for girls aged 14-18. We have spaces available in local units, Horseheath and Linton.

## A604 CLUB

Since the last Venture, we have had our annual AGM and visited the Old Butchers in Balsham for afternoon tea. We are all looking forward to fish and chips in April with desserts made by the members.

Our meetings are on the 1st Wednesday of the month at 2.30pm, new members are always welcome.
If you would like more details about the Club contact Pauline & Christine on 01223 891086.

## HORSEHEATH VILLAGE COMMUNITY ASSOCIATION

Hello from the Village Hall.
Thank you all who attended our Burns quiz night a great evening and our March market. We had a lovely sunny day and lots of great stalls. It was lovely to see some new faces and our regular supporters.

Our Wednesday morning coffee morning is working really well and Jo welcomes anyone for a hot tea or coffee and some cake or biscuits. It is run every Wednesday morning 10 to 12.

As always all proceeds go straight back to the hall for the running costs to keep it open and in a good condition.

We have met on several occasions to discuss the playground renovation. Sadly we have to arrange to dismantle it earlier than anticipated as due to its poor state it is now not safe. We have chosen a new plan

and this was tendered by 4 companies, we are now choosing a company to work with and proceed with applications for grants and funding. If anyone has any fundraising ideas or wishes to do a fundraising project please contact us.

Our next event is a VE Day 80th celebration lunch with the church on Monday 5th May. This will be a 2 course buffet style lunch, in a garden party style. We are encouraging fancy dress themed towards VE day and the era. We will have games and a raffle, the bar open and generally a great community feel. Please support and come along. Tickets sold by the committee members and Pat and Margaret. We will be coming round to offer tickets in a few weeks. Proceeds are spilt between us and the church.

We look forward to seeing you there.

Many thanks
Mel

GRANTA Medical Practices

**Spring 2025 Covid-19 Booster**

The Covid-19 vaccine helps protect against Covid-19, which can be a serious or life-threatening illness. It is offered on the NHS to people at increased risk of getting seriously ill from Covid-19.

This year's spring booster will be available from 1st April to 17th June 2025 and is recommended for people at risk from Covid-19.

You may be offered the booster if you:

- Are aged 75 or over,
- Are aged 6 months to 74 years and have a weakened immune system because of a health condition or treatment,
- Live in a care home for older adults.

NHS UK will contact you directly if you are eligible for the spring booster.

Granta Medical Practices will be delivering Covid-19 vaccines to our own patients and the general public via the National Booking System on NHS UK. Please may we respectfully ask that you do not try to book directly via our reception as they do not have access to the National Booking System.

We will also be vaccinating older care home residents. Housebound patients will be vaccinated by one of the community services.

If you have any queries about the spring booster or Covid-19 in general, please go to www.nhs.uk

## THE MEADOW SCHOOL, BALSHAM

**World Book Day Celebrations** This month, we had a fantastic time celebrating World Book Day with the story I Want a Dog by Jon Agee. The day began with a special assembly where Mrs. Butcher, our literacy lead, brought the story to life as she read it to the children. Following this, each class took part in exciting activities inspired by the book. From drawing cleverly disguised animals and engaging in drama performances to designing habitats and even writing their own books, our pupils had a wonderful day exploring the magic of storytelling.

**Chocolate Bingo Fundraising Success!** Another highlight of the month was our much-anticipated PTA fundraising event: Chocolate Bingo! This sold-out evening was a huge success, raising an impressive amount of money that will go towards enriching experiences for our children and funding new playground equipment. Families enjoyed a fantastic night of fun, with some lucky participants heading home with plenty of chocolate prizes. A huge thank you to everyone who attended and supported the event!

**Our Journey to Sustainability** At the Meadow Primary School, we are committed to becoming more sustainable. To help drive this initiative, we are launching an Eco Committee, which will focus on four key areas: recycling, energy conservation, reducing waste, and enhancing nature. KS2 children are invited to join the committee and work towards making a positive environmental impact under the guidance of Miss Evans. We are excited to see the changes this team will bring—watch this space!

We look forward to another exciting month ahead at The Meadow Primary School!

## WEST WICKHAM & DISTRICT GARDENING CLUB

**Spring Shoots**
For those of us who grow plants from seeds, April is an exciting month. Windowsills get dirty with rows of pots and the emerging green shoots offer a promise of summer to come.

If you haven't had a go at propagating before, this is the perfect month to try. We even have a **free seed table** at our monthly meetings so if you don't know where to start, that might provide the perfect solution. There will even be some plastic pots available at the April meeting if you are short of containers!

The topic for the next meeting on **14th Apri**l is *The Rise and Fall of Cambridgeshire Horticultural Societies*. **Jonathan Spain**, a historian and author with a particular interest in the Allotment Movement, is looking at the journey of these societies from the 19th Century to the present day. This meeting is a joint event with the West Wickham & District Local History Club.

Having finished planning our programme for the year, with summer garden visits, talks and fairs we are now looking forward to the **Plant Sale on 17th May**, our big spring event. If you are lucky enough to have some leftover seedlings or are dividing plants in the garden we would be delighted if you'd like to join in. Members and non-members all welcome! It's a great way to share leftover plants, find some bargains and enjoy homemade cakes baked by members. Bring your labelled plants along from **9am** to be sorted and laid out on the tables by the helpers and the Sale opens for buyers from **10:30–12:00**.

Meetings held in West Wickham Village Hall at 7:30pm. Annual membership of the Garden Club is £8 per person, guests £2. Please contact Sue Boase on 07716 401646 wwdgc@westwickham.org

## CAMBRIDGESHIRE FIRE AND RESCUE SERVICE SAFETY INFORMATION

**Stay fire safe in your kitchen**
More than half the fires our crews attend in the home start in the kitchen. This can be down to a number of things.

Below are some simple safety tips to help you stay fire safe in the kitchen:
Cooking safely

- Avoid leaving children in the kitchen alone when cooking on the hob. Keep matches and saucepan handles out of their reach to keep them safe.
- Take care if you're wearing loose clothing – this can easily catch fire.
- Keep tea towels and cloths away from the cooker and hob.
- Double check the cooker is off when you've finished cooking.
- Take care if you need to leave the kitchen whilst cooking, take pans off the heat or turn them down to avoid risk.
- Make sure saucepan handles don't stick out – so they don't get knocked off the stove.
- Keep electrics (leads and appliances) away from water.
- Check toasters are clean and placed away from curtains and kitchen rolls.
- Keep the oven, hob and grill clean and in good working order. A build-up of fat and grease can ignite a fire.

**Don't let a garden spring clean lead to fire**
Staying safe outside is just as important as keeping your family safe from fire in your home.
As the Spring time weather (hopefully) begins to arrive, many will take the opportunity to get out in the garden and give it a tidy.

There are a few simple things to do which will help reduce the risk of having a fire:

- Dispose of garden waste using either a local waste pick up service, or take it to a local recycling centre. Do not light a bonfire!
- Ensure cigarettes are completely out.
- Do not leave glass bottles lying on the ground – the sun's rays reflect through the glass and can start a fire.
-

If you are planning to have a BBQ:

- Use barbeques on a hard, flat surface away from grass, shrubs or fencing.
- Put disposable barbeques on bricks, do not place directly on grass.
